Board consensus was to implement the requirements village-wide for all HOAs.

MEETING DATE:	February 17, 2026
ITEM:	Approval of a Resolution Authorizing the Purchase of the BS&A Financial Software Cloud Version.
MOTION:	I move to approve the Resolution Authorizing the Purchase of the BS&A Financial Software Cloud Version.
STAFF CONTACT:	Albert Walczak, Finance Director Andrew Ferrini, Village Manager

Purpose:

This action item authorizes the Village to purchase and implement the BS&A Cloud version of the organizational financial software.

Backgrounds:

The Village is currently using the server-based version of BS&A financial software for management of all of the Village's accounting transactions and related management. This software has been in place since its implementation in early 2020. The BS&A software platform we currently use is the .NET version, an on-premises, client-server solution released in 2008, making it a 17-year-old product. The Cloud is the platform of the future. BS&A released BS&A Cloud in 2021, and it offers significant technological and security enhancements, creating a more advantageous platform for the Village.

The BS&A software includes the following modules: general ledger/budget, cash receipting, accounts payable, purchase order, miscellaneous receivables, payroll, human resources, fixed assets, timesheets, and utility billing.

Here are some of the benefits of the BS&A Cloud version:

- Ease of access – work from anywhere with an Internet connection across a range of devices.
- Security & Stability – secure Cloud environment with 99.99% up time and multi-factor authentication.
- Disaster Recovery – geo-redundant backups occur automatically at regular intervals to two different regions in the United States.
- Reduce liability – eliminate or reduce physical servers and secure BS&A in cooperation with Microsoft Azure.
- Future-proof – inherit future versions of BS&A Cloud, included in the annual subscription. The BS&A payments feature is specifically designed for the Cloud platform.
- Real-time payment processing – transaction processing and posting for all payments. Seamless ERP integration eliminates manual data entry and file imports, minimizing manual processes and potential for error.

- Automated Reconciliation – streamlined bank reconciliation creates time savings, allowing municipal staff to focus on higher-value initiatives.
- Centralized Transaction Data – all electronic payment data is accessible directly from BS&A’s core platform, providing transaction-level detail in a unified interface.
- Modernized Payments Acceptance – position the Village as tech-enabled and forward-thinking by offering residents the most modern payment methods, both in person and online.
- Single Login for BS&A Online – a single user account streamlines access to electronic payments and other citizen engagement tools, all under one platform.
- Ease of Use – the user-friendly, mobile-responsive, and accessible interface ensures all residents can make payments easily from anywhere.
- Autopay Capability – allows residents to configure ongoing automatic payments, ensuring they never miss a due date, and reducing late payments to the municipality.
- Security & Compliance – processing in a PCI level 1 compliant environment ensures the security of resident, municipality, and payment transaction data.
- Automatic Card Updates – embedded card account updater capabilities maintain up-to-date credit and debit card information when resident cards expire or are replaced, reducing payment disruption.
- BS&A payments accepted – credit/debit cards, Apple Pay, Google Pay, ACH, desktop & mobile, text, IVR, and in person at the counter.

Overall, staff believes the BS&A Cloud platform will make daily operations more efficient by reducing manual tasks and simplifying system processes, while also improving reliability and data security. The upgraded payment options will make it easier and more convenient for residents to pay bills in a variety of ways, resulting in better service to the public as well as increasing operational efficiency.

Options:

1. Approve the Resolution: The Village Board can approve the resolution as presented, which provides the results outlined above. This option is recommended.
2. Do not Approve the Resolution: The Board can choose not to approve the resolution and not implement the Cloud financial software.

Financial Impact:

Since the last meeting, staff have worked with the vendor to explore options for reducing costs. Following discussions with BS&A, it was determined that several modules originally included in the proposal—such as the work order system, purchase order system, and building permits module—could be removed at this time. These modules can be added in the future if needed. While they were initially included based on potential future use, staff determined that current utilization does not require their inclusion at this time. BS&A has also agreed to a discount of \$5,000 on the implementation cost of the upgrade.

This results in a one-time upgrade cost of \$33,400 (decreased from \$53,500) and an annual subscription of \$37,460 (decreased from \$47,325) for a total cost of \$70,860.00. Each year, the subscription fee would increase by the greater of 5% or CPI (Section 7.1 of the Order Form Contract). The current annual maintenance cost is \$20,076.00. The Village will receive credit toward the annual maintenance fee for the current version once the new version goes live. Staff

anticipates going live with the Cloud version in the fall of 2026. Initial payment would be \$16,700.00, and the remaining balance of \$54,160.00 would not be due to BS&A until after going live. Below is a chart that shows comparable ERP system annual maintenance costs from responsive entities.

Village of Pingree Grove					
BSA Cloud Cost Comparison					
<u>Entity</u>		<u>System</u>		<u>Platform</u>	<u>Annual Cost</u>
Village Pingree		BSA		Cloud	\$ 37,460.00
City of Wooddale		Munis		Server Based	\$ 130,000.00

Village of Wauconda		Sprinkbrook		Cloud	\$ 40,321.00
Village of Sleepy Hollow		Harris/MSI		Cloud	\$ 16,000.00

The Village has been contributing funds into the Capital Equipment Replacement Fund (CERF) since the original purchase of the BS&A current software. The Village has \$80,000 in the fund to cover the cost of this upgrade. The cost will be included in the FY27 budget, with the first payment prepaid and charged off in FY27.

Recommendation:

Approval is recommended. The implementation of the BS&A software will help streamline processes both for staff operations and resident payments.

7. Fees and Taxes.

7.1 Fees. The Platform may be provided for a fee or other charge. Customer shall pay BS&A the fees (“**Fees**”) identified in the Order without offset or deduction at the cadence identified in the Order (e.g., monthly or annually). BS&A may increase the Fees annually, provided that BS&A will provide Customer at least thirty (30) days’ notice of such increase prior to the end of the then-current Term. The amount of the Fee increase will be in BS&A’s sole discretion, provided that Customer agrees that the increase may be at least the greater of: (i) five percent (5%); or (ii) the annual increase in the relevant Consumer Price Index for all Urban Consumers published by the Bureau of Labor Statistics for the then-current calendar year, in each case as compared to the Fees applicable during then-current Term, as applicable. Fees paid by Customer are non-refundable. Customer shall make all payments hereunder in US dollars by ACH or via another reasonable method chosen by BS&A, to such account as BS&A may specify in writing from time to time, or by another mutually agreed-upon payment method. If Customer pays via invoice, Customer will pay the invoiced amount within thirty (30) calendar days of the invoice date. If Customer fails to make any payment when due, and Customer has not notified BS&A in writing within ten (10) days of the payment becoming due and payable that the payment is subject to a good faith dispute, without limiting BS&A’s other rights and remedies, and to the fullest extent permissible under applicable law: (i) BS&A may charge interest on the undisputed past due amount at the rate of 1.5% per month, calculated daily and compounded monthly or, if lower, the highest rate permitted under applicable law; (ii) Customer shall reimburse BS&A for all reasonable costs incurred by BS&A in collecting any late payments or interest, including attorneys’ fees, court costs, and collection agency fees; and (iii) if such failure continues for ten (10) days or more, BS&A may suspend Customer’s and its Authorized Users’ access to all or any part of the Platform until such amounts are paid in full.

7.2 Taxes. All Fees and other amounts payable by Customer under this Agreement are exclusive of taxes and similar assessments. Customer is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by Customer hereunder, other than any taxes imposed on BS&A’s income.

8. Confidential Information.

From time to time during the Subscription Period, either Party may disclose or make available to the other Party information about its business affairs, products, confidential intellectual property, trade secrets, third-party confidential information, and other sensitive or proprietary information, whether orally or in written, electronic, or other form or media that: (i) is marked, designated or otherwise identified as “confidential” or something similar at the time of disclosure or within a reasonable period of time thereafter; or (ii) would be considered confidential by a reasonable person given the nature of the information or the circumstances of its disclosure (collectively, “**Confidential Information**”). Except for Personal Information, Confidential Information does not include information that, at the time of disclosure is: (a) in the public domain; (b) known to the receiving Party at the time of disclosure; (c) rightfully obtained by the receiving Party on a non-confidential basis from a third party; or (d) independently developed by the receiving Party without use of, reference to, or reliance upon the disclosing Party’s Confidential Information.

The receiving Party will be responsible for all the acts and omissions of its Representatives as they relate to Confidential Information hereunder. Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required (i) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order shall first have given written notice to the other Party and made a reasonable effort to obtain a protective order; or (ii) to establish a Party’s rights under this Agreement, including to make required court filings. Further, notwithstanding the foregoing, each Party may disclose the terms and existence of this Agreement to its actual or potential investors, debtholders, acquirers, or merger partners under customary confidentiality terms.

If Customer or any of its employees or contractors sends or transmits any communications or materials to BS&A by mail, email, telephone, or otherwise, suggesting or recommending changes to the BS&A IP, including without limitation, new features or functionality relating thereto, or any comments, questions, suggestions, or the like ("**Feedback**"), BS&A is free to use such Feedback irrespective of any other obligation or limitation between the Parties governing such Feedback.

11. Mutual Warranties; Disclaimer of Other Warranties.

11.1 Mutual Warranties. Each party hereby represents and warrants to the other that: (i) it has the full right, power, and authority to enter into, execute, and perform its obligations under this Agreement without any conflict with or violation of any other obligations to which it may be subject; and (ii) this Agreement is binding on such party in accordance with its terms.

BS&A SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. BS&A MAKES NO WARRANTY OF ANY KIND THAT THE BS&A IP, OR ANY PRODUCTS OR RESULTS OF THE USE THEREOF, WILL MEET CUSTOMER'S OR ANY OTHER PERSON'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR

WORK WITH ANY SOFTWARE, SYSTEM OR OTHER PLATFORM, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR FREE.

12. Indemnification.

12.1 BS&A Indemnification.

(a) BS&A shall indemnify, defend, and hold harmless Customer from and against any and all losses, damages, liabilities, costs (including reasonable attorneys' fees) ("**Losses**") incurred by Customer resulting from any third-party claim, suit, action, or proceeding ("**Third-Party Claim**") brought against Customer alleging that the Platform, or any use of the Platform in accordance with this Agreement, infringes or misappropriates such third party's US intellectual property rights; provided that Customer promptly notifies BS&A in writing of the claim, cooperates with BS&A, and allows BS&A sole authority to control the defense and settlement of such claim.

(b) If such a claim is made or appears possible, Customer agrees to permit BS&A, at BS&A's sole discretion: to (i) modify or replace the Platform, or component or part thereof, to make it non-infringing; or (ii) obtain the right for Customer to continue use. If BS&A determines that neither alternative is reasonably commercially available, BS&A may terminate this Agreement, in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer, and as Customer's sole and exclusive remedy therefor, BS&A will provide to Customer a prorated refund of prepaid, unused Fees attributable to the Platform (and not including any one-time Fees for Professional Services).

(c) This Section 12.1 will not apply to the extent that the alleged infringement arises from: (i) use of the Platform in combination with data, software, hardware, equipment, or technology not provided by BS&A or authorized by BS&A in writing; (ii) modifications to the Platform not made by BS&A; (iii) Customer Data; or (iv) Third-Party Products.

12.2 Customer Indemnification. To the extent permitted under applicable laws, Customer shall indemnify, hold harmless, and, at BS&A's option, defend BS&A from and against any Losses resulting from any Third-Party Claim alleging that the Customer Data, or any use of the Customer Data in accordance with this Agreement, infringes or misappropriates such third party's intellectual property or other rights and any Third-Party Claims based on Customer's or any Authorized User's (i) negligence or willful misconduct; (ii) use of the Platform in a manner not authorized by this Agreement; or (iii) use of the Platform in combination with data, software, hardware, equipment or technology not provided by BS&A or authorized by BS&A in writing; in each case provided that Customer may not settle any Third-Party Claim against BS&A unless BS&A consents to such settlement, and further provided that BS&A will have the right, at its option, to defend itself against any such Third-Party Claim or to participate in the defense thereof by counsel of its own choice.

12.3 Sole Remedy. THIS SECTION 12.3 SETS FORTH CUSTOMER'S SOLE REMEDIES AND BS&A'S SOLE LIABILITY AND OBLIGATION FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE PLATFORM INFRINGE, MISAPPROPRIATE, OR OTHERWISE VIOLATE ANY INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

13. Limitations of Liability. IN NO EVENT WILL EITHER PARTY BE LIABLE UNDER OR IN CONNECTION WITH THIS AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE, FOR ANY: (i) CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, ENHANCED, OR PUNITIVE DAMAGES; (ii) INCREASED COSTS, DIMINUTION IN VALUE OR LOST BUSINESS, PRODUCTION, REVENUES, OR PROFITS; (iii) LOSS OF GOODWILL OR REPUTATION; (iv) USE, INABILITY TO USE, LOSS, INTERRUPTION, DELAY OR RECOVERY OF ANY DATA, OR BREACH OF DATA OR SYSTEM SECURITY; OR (v) COST OF REPLACEMENT GOODS OR SERVICES, IN EACH CASE REGARDLESS OF WHETHER BS&A WAS ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES OR SUCH LOSSES OR DAMAGES WERE OTHERWISE FORESEEABLE. IN NO EVENT WILL EITHER PARTY'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE EXCEED THE TOTAL AMOUNTS PAID AND/OR PAYABLE TO BS&A UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE CLAIM. THE FOREGOING LIMITATIONS OF LIABILITY WILL NOT APPLY WITH RESPECT TO LIABILITIES ARISING FROM: (A) A PARTY'S BREACH OF ITS CONFIDENTIALITY OBLIGATIONS UNDER SECTION 8; (B) A PARTY'S GROSS NEGLIGENCE, FRAUD, OR WILLFUL MISCONDUCT; OR (C) A PARTY'S INDEMNIFICATION OBLIGATIONS UNDER SECTION 12 (PROVIDED THAT BS&A'S TOTAL AGGREGATE LIABILITY IN CONNECTION WITH SUCH INDEMNIFICATION OBLIGATIONS WILL NOT EXCEED THREE TIMES (3X) THE TOTAL AMOUNTS PAID AND/OR PAYABLE TO BS&A UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE CLAIM).

14. Subscription Period and Termination.

14.1 Subscription Period. The initial term of this Agreement begins on the Effective Date and, unless terminated earlier pursuant to this Agreement's express provisions, will continue in effect for the period identified in the Order (the "**Initial Subscription Period**"). This Agreement will automatically renew for additional successive terms equal to the length of the Initial Subscription Period unless earlier terminated pursuant to this Agreement's express provisions or either Party gives the other Party written notice of non-renewal at least thirty (30) days prior to the expiration of the then-current term (each a "**Renewal Subscription Period**" and together with the Initial Subscription Period, the "**Subscription Period**").

14.2 Termination. In addition to any other express termination right set forth in this Agreement:

(a) BS&A may terminate this Agreement, effective on written notice to Customer, if Customer: (i) fails to pay any amount when due hereunder, and such failure continues more than ten (10) calendar days after BS&A's delivery of written notice thereof; or (ii) breaches any of its obligations under Section 2.3 or Section 8;

(b) either Party may terminate this Agreement, effective on written notice to the other Party, if the other Party materially breaches this Agreement, and such breach: (i) is incapable of cure; or (ii) being capable of cure, remains uncured thirty (30) calendar days after the non-breaching Party provides the breaching Party with written notice of such breach; or

(c) either Party may terminate this Agreement, effective immediately upon written notice to the other Party, if the other Party: (i) becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due; (ii) files or has filed against it, a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; (iii) makes or seeks to make a general assignment for the benefit of its creditors; or (iv) applies for or has appointed a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.

14.3 Effect of Expiration or Termination. Upon expiration or earlier termination of this Agreement, Customer shall immediately discontinue use of the BS&A IP and, without limiting Customer's obligations under Section 8, Customer shall delete, destroy, or return all copies of the BS&A IP and certify in writing to the BS&A that the BS&A IP has been deleted or destroyed. No expiration or termination will affect Customer's obligation to pay all Fees that may have become due before such expiration or termination or entitle Customer to any refund.

14.4 Survival. This Section 14.4 and Sections 1, 5, 8, 10, 11, 12, 13, 14.3, and 15 survive any termination or expiration of this Agreement. No other provisions of this Agreement survive the expiration or earlier termination of this Agreement.

15. Miscellaneous.

15.1 Relationship of the Parties. BS&A performs its obligations hereunder as an independent contractor and not a partner, joint venture, or agent of Customer and shall not bind nor attempt to bind Customer to any contract without Customer's prior written approval on a case-by-case basis. BS&A is responsible for hiring, firing, and supervising its personnel is solely responsible hereunder for its personnel, including without limitation for: (a) payment of compensation to such personnel; (b) withholding (if applicable), paying, and reporting, for all personnel assigned to perform services (including Professional Services) in connection with this Agreement, applicable tax withholding, social security taxes, employment head taxes, unemployment insurance, and other taxes or charges applicable to such personnel; and (c) health or disability benefits, retirement benefits, or welfare, pension, or other benefits (if any) to which such personnel may be entitled. For purposes of clarity, BS&A's personnel will not be eligible to participate in any of Customer's employee benefit plans, fringe benefit programs, group insurance arrangements, or similar programs.

15.2 Entire Agreement. This Agreement, together with any other documents incorporated herein by reference, constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings, agreements, and representations and warranties, both written and oral, with respect to such subject matter. In the event of any inconsistency between the statements made in the body of this Agreement, the related Exhibits, and any other documents incorporated herein by reference, the following order of precedence governs: (i) first, this Agreement; and (ii) second, any other documents incorporated herein by reference.

15.3 Notices. All notices, requests, consents, claims, demands, waivers, and other communications

hereunder (each, a “**Notice**”) must be in writing and addressed to the Parties at the addresses set forth on the first page of this Agreement (or to such other address that may be designated by the Party giving Notice from time to time in accordance with this Section). All Notices must be delivered by personal delivery, nationally recognized overnight courier (with all fees pre-paid), facsimile or email (with confirmation of transmission) or certified or registered mail (in each case, return receipt requested, postage pre-paid). Except as otherwise provided in this Agreement, a Notice is effective only: (i) upon receipt by the receiving Party; and (ii) if the Party giving the Notice has complied with the requirements of this Section.

15.4 **Force Majeure.** In no event shall either Party be liable to the other Party, or be deemed to have breached this Agreement, for any failure or delay in performing its obligations under this Agreement (except for any obligations to make payments), if and to the extent such failure or delay is caused by any circumstances beyond such Party’s reasonable control, including but not limited to acts of God, flood, fire, earthquake, explosion, war, terrorism, invasion, riot or other civil unrest, strikes, labor stoppages or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo.

15.5 **Amendment and Modification.** No amendment or modification to this Agreement is effective unless it is in writing and signed by an authorized representative of each Party.

15.6 **Waiver.** No failure or delay by either Party in exercising any right or remedy available to it in connection with this Agreement will constitute a waiver of such right or remedy. No waiver under this Agreement will be effective unless made in writing and signed by an authorized representative of the Party granting the waiver.

15.7 **Severability.** If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

15.8 **Governing Law; Submission to Jurisdiction.** To the extent permissible under applicable laws, this Agreement is governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule that would require or permit the application of the laws of any jurisdiction other than those of the State of Delaware. To the extent permissible under applicable laws, any legal suit, action, or proceeding arising out of or related to this Agreement must be instituted in the federal courts of the United States or the courts of the State of Delaware in each case located in New Castle County, Delaware and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding. If Customer is located in a jurisdiction that requires that this Agreement be governed by and construed in accordance with laws other than those of the State of Delaware, or that require any legal suits, actions, or proceedings arising out of or related to this Agreement be instituted in state and federal courts located anywhere other than New Castle County, Delaware, then the Parties agree that such other laws shall apply and to institute any such legal suits, actions, or proceedings in such other jurisdiction(s).

15.9 **Assignment.** Neither Party may assign any of its rights or delegate any of its obligations hereunder (except in the case of either Party utilizing authorized subcontractors and consultants), in each case whether voluntarily, involuntarily, by operation of law or otherwise, without the prior written consent of the other Party. Any purported assignment or delegation in violation of this Section will be null and void. No assignment or delegation will relieve the assigning or delegating Party of any of its obligations hereunder. This Agreement is binding upon and inures to the benefit of the Parties and their respective permitted successors and assigns. Notwithstanding the foregoing, either Party may freely assign this Agreement to an affiliate or successor in interest in the event of a merger, acquisition, sale of all or substantially all of its assets, corporate reorganization, or other change in control, without the prior consent of the other Party.

15.10 **Export Regulation.** The Platforms utilize software and technology that may be subject to US export control laws, including the US Export Administration Act and its associated regulations. Customer shall not, directly or indirectly, export, re-export, or release the Platform or the underlying software or technology to, or make the Platform or the underlying software or technology accessible from, any jurisdiction or country to which export, re-export, or release is prohibited by law, rule, or regulation. Customer shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), prior to exporting, re-exporting, releasing, or otherwise making the Platform or the underlying software or technology available outside the US.

15.11 US Government Rights. Each of the Documentation and software components that constitute the Platform is a “commercial item” as that term is defined at 48 C.F.R. § 2.101, consisting of “commercial computer software” and “commercial computer software documentation” as such terms are used in 48 C.F.R. § 12.212. Accordingly, if Customer is an agency of the US Government or any contractor therefor, Customer only receives those rights with respect to the Documentation and the Platform as are granted to all other end users, in accordance with (a) 48 C.F.R. § 227.7201 through 48 C.F.R. § 227.7204, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. § 12.212, with respect to all other US Government users and their contractors.

15.12 Equitable Relief. Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations under Section 8 or, in the case of Customer, Section 2.3, would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other Party will be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity or otherwise.

Integrated Payments Addendum

This Addendum (“**Addendum**”) supplements the Customer Agreement entered into by and between BS&A Software, LLC (“**BS&A**”) and the (“**Customer**”) together with the BS&A Customer Terms and Conditions (collectively, the “**Agreement**”), effective on the date of the Customer signature.

Payment processing services accessible through an integration with BS&A’s platform are provided by BS&A’s designated payment processor, as BS&A may designate from time to time (“**Processor**”). As of the effective date of this Addendum, the Processor is Stripe, Inc. (“**Stripe**”). This Addendum will apply if Customer sets up an account with the Processor (with Stripe as processor, such account is referred to herein as the “**Stripe Connected Account**”), to receive payment processing services from Processor (“**Payment Processing Services**”) through such integration. Capitalized terms used but not defined here will have the meanings given to them in the Agreement or in the Stripe Agreements (defined below).

1. Payment Processing Services

1.1 Processor Agreements. As of the effective date of this Addendum, use of the Payment Processing Services is subject to the Stripe Connected Account Agreement, the Stripe Privacy Policy, and other terms and conditions of Stripe, as each may be updated or modified by Stripe from time to time (collectively, the “**Stripe Agreements**”). Customer may not use any Payment Processing Services until Customer agrees to the Stripe Agreements, and by agreeing to this Addendum, Customer expressly (a) accepts and agrees to the Stripe Agreements, and (b) authorizes BS&A to capture Customer’s electronic or digital acceptance of the Stripe Agreement and provide proof of such acceptance to Stripe as may be requested by Stripe. Customer understands that the Stripe Agreements are solely between Customer and Stripe, and the Payment Processing Services are provided solely by Stripe. BS&A is not a party to the Stripe Agreements, has no control over the Payment Processing Services and the Stripe Agreements, and will have no liability under the Stripe Agreements or in any way relating to the Payment Processing Services. Customer is responsible for checking for applicable updates to the Stripe Agreements from time to time, and any use by Customer of the Payment Processing Services following a change to the Stripe Agreements shall constitute acceptance of such change.

1.2 Customer Information and onboarding. Customer will follow the onboarding procedures and policies provided by BS&A and Stripe (as may be amended from time to time), and Customer will provide all requested information. All information provided by Customer to BS&A must be truthful and accurate. Customer acknowledges that Processor has the ultimate decision whether to approve Customer for the Payment Processing Services.

1.3 Transaction Processing and Settlement. Transactions are processed by Processor, not BS&A. Stripe (or its partner banks) will settle Transaction proceeds to Customer’s designated bank account in accordance with the Stripe Agreements. Customer acknowledges and agrees that its processed transactions may be deposited into to a pooled account held for the benefit of Customer and other customers of BS&A held at any financial institution so that such funds may be combined and aggregated with other funds that are ultimately settled to Customer by such financial institution. Customer understands and agrees that BS&A does not process, receive, or hold Customer funds at any time and that BS&A is not a bank, money transmitter, or other money services business (as such terms are defined by the Bank Secrecy Act or any state law). To the extent BS&A is deemed to hold or receive funds (constructively or otherwise) of any customer of Customer at any point in time, Customer hereby irrevocably appoints BS&A as its non-fiduciary agent for the limited purpose of collecting, receiving, holding, and settling funds from Customer’s customer (the cardholder) on Customer’s behalf. In such

event, such funds shall be deemed received by Customer upon receipt by BS&A and shall satisfy the cardholder's obligation to Customer in connection with the transaction for the goods or services sold by Customer. If BS&A fails to remit such funds to Customer, Customer's sole recourse for such event is solely against BS&A and not against the cardholder or the cardholder's financial source.

1.4 Data Usage and Sharing. Customer authorizes BS&A to (a) access and receive data relating to Customer's Stripe Connected Account (as such term is defined in the Stripe Agreements), including transaction and usage data and other data about the Stripe Connected Account; (b) share data regarding the Stripe Connected Account, related activity and other Customer data with Stripe in connection with the Payment Processing Services; and (c) issue instructions to Stripe regarding Transactions and funds processed by Stripe. Customer agrees to complete and submit any additional authorization forms or other such documentation as requested by BS&A or Stripe.

2. Payment Terms

2.1 Fees. The fees for the Payment Processing Services will be as set forth in Schedule A of this Addendum and will be automatically debited by BS&A via ACH from the depository account designated by Customer that is on file with BS&A ("**Customer Account**"). Customer hereby authorizes BS&A, Processor, their financial institutions and any of their assignees to collect amounts owed under this Addendum (including, but not limited to, the fees for the Payment Processing Services set forth on Schedule A and any liabilities arising under this Addendum) by debiting funds from the Customer Account ("**ACH Debit Authorization**"). All payments are non-refundable. If Customer fails to make any payment when due (or any ACH Debit of the Customer Account is returned or rejected for any reason), late charges will accrue as permitted pursuant to Section 7.1 of the Agreement. For clarity, any fees or payment terms that may be posted on Stripe's website for Stripe's direct customers are not applicable. All fees are exclusive of any applicable taxes, unless otherwise provided. Customer agrees that all ACH transactions authorized pursuant to this authorization comply with all applicable laws and with the Network Rules (including the Nacha Operating Rules). Notwithstanding anything to the contrary in the Agreement, fees for the Payment Processing Services can be amended upon thirty days notice to Customer.

2.2 Disputes. If Customer believes that there is an error in any statement provided by BS&A or any information reported by BS&A regarding a Transaction, or any error made in the amount of a payment or settlement, Customer must notify BS&A within thirty (30) days of Customer's receipt of the statement or payment containing the error or it will waive such claim.

2.3 Tax Reporting. BS&A may send documents to Customer and the Internal Revenue Service (IRS) or other tax authority for Transactions processed using the Payment Processing Services. BS&A may have tax reporting responsibilities in connection with the Payment Processing Services such as an Internal Revenue Service report on Form 1099-K (which reports Customer's gross transaction amounts each calendar year to the IRS), or state or other taxing authority requirements. Customer acknowledges that BS&A or Stripe (as determined in their sole discretion) will report the total amount of transactions received by Customer in connection with the Payment Processing Services each calendar year as required by the taxing authorities. Customer will cooperate with BS&A and Stripe in providing accurate and complete tax reporting information, including any other information that may be required by the taxing authorities to fulfil tax reporting described herein. Customer represents and warrants that all information that it submits for tax reporting purposes is complete and accurate to the best of its knowledge, and that BS&A and Stripe may rely on all such information submitted by Customer. Customer agrees that neither Stripe nor BS&A will be liable for any penalty or other damages stemming from any 1099-K form that is issued incorrectly if it comports with the information provided by

Customer, and neither Stripe nor BS&A will have any obligation to verify the legal name or tax ID number for reporting purposes. Customer understands and agrees that BS&A and Stripe may submit tax reporting information exactly as provided by Customer. Notwithstanding the foregoing, BS&A or Stripe may in their sole discretion investigate or validate any tax reporting information or other information submitted by Customer.

2.4 Electronic Delivery of Tax Documents. In connection with the tax reporting activities described above, Customer may elect to receive electronic delivery of the referenced tax-related documents from BS&A or Stripe, including through BS&A's platform or another online portal whereby Customer can access and download the applicable statements. If Customer elects to receive tax documents electronically, it will provide such consent by clicking an "I Accept" or similar button or checking a box captioned with acceptance and consent language ("**Tax E-Delivery Consent**"). The Tax E-Delivery Consent will remain in effect until withdrawn by Customer. The Tax E-Delivery Consent may be printed or downloaded. If Customer does not specifically consent to the electronic delivery of tax-related documents, Customer will receive paper copies of all required tax-related documents, including Form 1099-K. BS&A or Stripe will notify Customer once the applicable tax forms become available via the email address BS&A has on file for Customer.

3. Compliance

3.1 Laws and Rules. Customer agrees to comply at all times with all applicable laws and regulations as well as the rules and regulations of all applicable payment networks ("**Network Rules**"), including industry standards such as the Payment Card Industry Data Security Standards ("**PCI-DSS**"). Additional data protection standards and policies which Customer must comply with are set forth in the Stripe Agreements. Furthermore, Customer acknowledges and agrees that it is fully responsible for all acts and omissions of its employees, contractors, and agents and will ensure their compliance with all laws and Network Rules as well as Customer's other obligations under this Addendum and the Stripe Agreements.

3.2 Customer's Business. Customer understands that any transactions involving Customer's goods or services which are processed through the Payment Processing Services pursuant to this Addendum ("**Transactions**") are between Customer and its customer (the cardholder), and any issues relating to a Transaction are solely between Customer and the cardholder. Customer is solely responsible for all liabilities associated with Customer's payment processing activity and use of the Payment Processing Services, including without limitation with respect to chargebacks, refunds, identity theft, fraud and any assessments or fees imposed by Stripe, a sponsor bank, the card networks or any third party. Customer is responsible for determining what, if any, taxes apply to the goods and services Customer provides to its cardholders and the payments Customer makes or receives, and it is Customer's responsibility to collect, report and remit the correct tax to the appropriate tax authority. Customer will comply with any and all applicable tax laws, including those in connection with Transactions.

3.3 Prohibited Activities. Customer will not use the Stripe Connected Account for any activity prohibited by Stripe, including but not limited to those activities listed in the section of Stripe Services Agreement titled "Services Restrictions" or those activities listed in the [Stripe Restricted Businesses List](#). Customer shall not use the Payment Processing Services to conduct a Restricted Business or transact with a Restricted Business. Customer may not use the Payment Processing Services in breach of the Connected Account Agreement or for any activity that applicable law or the Stripe Agreements prohibit.

3.4 Fraud Monitoring. BS&A and Stripe may monitor Transactions for the purpose of determining fraudulent activity and whether Customer is in good standing. Such monitoring if conducted, will be for the benefit of BS&A and/or Stripe only. BS&A does not have any obligation to monitor Transactions on

Customer's behalf. Based on BS&A's methods, which are subject to change without notice, BS&A may decide to suspend Customer's access to the Payment Processing Services, or in other ways limit Customer's privileges to the extent BS&A deems necessary or useful to prevent fraud or losses. Without limiting the foregoing, BS&A may delay, in its sole discretion, or at the direction of Stripe sending instructions on Customer's behalf if BS&A reasonably believes that Customer's instructions may involve fraud or misconduct, or violate applicable law, rule, regulation, order, this Addendum, or other applicable BS&A or Stripe policies, as determined by BS&A or Stripe in their sole and absolute discretion.

3.5 Cardholder Fee Programs. If Customer elects to impose a fee on cardholders with respect to Transactions (including a surcharge for credit cards, a convenience fee, service fee or other similar type of fee) or implement a discount based on the type of payment method used for a Transaction (including cash, check, or ACH) (collectively, "**Cardholder Fee Program**"), Customer must first seek approval from BS&A. Customer is solely responsible for its compliance with all applicable Network Rules and all present and future federal and state laws and regulations relating to any such Cardholder Fee Program and any required consumer disclosures related thereto. Although BS&A may, in its discretion, assist Customer with disclosures and practices relating to such Cardholder Fee Programs, BS&A's provision or approval of any materials or practices shall not be deemed a confirmation that such materials or practices comply with the Network Rules or applicable law and shall not in any way relieve Customer from its responsibility to ensure that all program materials and practices comply with the Network Rules and applicable law. Customer must provide BS&A with at least at thirty (30) days prior written notice before implementing (or announcing publicly that it intends to implement) any Cardholder Fee Program that would be considered a surcharge program under the Network Rules.

4. Chargebacks

4.1 Chargebacks. If BS&A determines in its sole discretion that Customer is incurring excessive chargebacks, BS&A may establish controls or conditions governing Customer's use of the Payment Processing Services, including without limitation, by (a) establishing new fees, (b) instructing Stripe to require a reserve, (c) instruct Stripe to delay payouts, and/or (d) terminating this Addendum and access to the Payment Processing Services. Notwithstanding anything to the contrary herein, for any Transaction that results in a chargeback, BS&A may direct the withholding of the chargeback amount and any associated fees. Customer authorizes BS&A to deduct or debit the amount of any chargeback and any associated fees, fines, or penalties assessed by a third party, from Customer's Account or offset from any amounts otherwise due to Customer. Further, if BS&A reasonably believes that a chargeback is likely with respect to any Transaction, BS&A may instruct Stripe to withhold the amount of the potential chargeback from payments otherwise due to Customer until such time that: (a) a chargeback is assessed, in which case BS&A will retain the funds; (b) the period of time under applicable law or Rule by which the cardholder may dispute the Transaction has expired; or (c) BS&A determines that a chargeback on the Transaction will not occur, in which case BS&A will instruct the release of the withheld funds to Customer. If BS&A is unable to recover funds related to a chargeback for which Customer is liable, BS&A may set off or debit Customer's Account for the full amount of the applicable chargeback, or, if BS&A is unable to do so, Customer shall pay BS&A the amount of such chargeback and any associated fees, fines or penalties immediately upon demand. Customer will pay all costs and expenses, including without limitation attorneys' fees, other legal expenses, and handling fees incurred by or on behalf of BS&A in connection with the collection of all chargebacks. This section will survive termination of this Addendum. Additional chargeback terms and requirements are set forth in the Stripe Agreements.

4.2 Investigations. BS&A is not obligated to intervene in any dispute arising between Customer and cardholders. Notwithstanding anything to the contrary herein, if BS&A needs to conduct an investigation or resolve any pending dispute related to chargebacks or Transactions, Customer will assist BS&A when requested, at Customer's expense, to investigate such Transactions. Customer will timely submit all applicable information, documentation, or evidence related to such chargeback to BS&A, within the timeframe instructed by BS&A, necessary for BS&A to meet card network timelines for submitting evidence and responding to a chargeback. Customer authorizes BS&A to share information about a chargeback with the cardholder, the cardholder's financial institution and Customer's financial institution in order to investigate or mediate a chargeback. BS&A will request necessary information from Customer to contest the chargeback. If a chargeback dispute is not resolved in Customer's favor by the card network or issuing bank or Customer chooses not to contest the chargeback, BS&A may recover the chargeback amount and any associated fees. Customer acknowledges that its failure to assist BS&A in a timely manner when investigating a Transaction, including providing necessary documentation within the time period specified in BS&A's request, may result in an irreversible chargeback. BS&A will charge a fee as set forth in the applicable price schedule for mediating or investigating chargeback disputes, in addition to any other chargeback fees set forth in this Addendum or the Agreement, if applicable. BS&A reserves the right to change such fee at any time. If BS&A reasonably suspects that the Customer's access to the BS&A platform or Payment Processing Services has been used for an unauthorized, illegal, or criminal purpose, Customer gives BS&A express authorization to (but understands that BS&A is not obligated to) share information about Customer and any Transactions with law enforcement.

5. Liability

5.1 Indemnification.

5.1.1 In addition to the indemnification obligations under the Agreement, Customer will indemnify and hold harmless BS&A and its officers, affiliates, and representatives from and against any and all losses, damages, claims, assessments, chargebacks, fees, and other amounts incurred arising out of or in any way related to: (a) Customer's breach of any of its representations, warranties or covenants in this Addendum; (b) the Stripe Agreements or Customer's use of the Payment Processing Services, including all activity on Customer's Stripe account; (c) Customer's violation or non-compliance with any applicable law, rule, regulation, order, or Network Rules (including non-compliance of PCI-DSS); (d) all Merchant Losses (as defined in the Stripe Agreements); (e) Customer's implementation of a Cardholder Fee Program; and (f) Customer's gross negligence or willful misconduct.

5.1.2 In addition to the indemnification obligations under the Agreement, BS&A will indemnify and hold harmless Customer and its officers, affiliates, and representatives from and against any and all losses, damages, claims, and other amounts incurred resulting from third party claims to the extent directly and solely arising out of: (a) BS&A's breach of any of its representations, warranties or covenants in this Addendum; (b) BS&A's violation or non-compliance with any applicable law, rule, regulation, or order; and (c) BS&A's gross negligence or willful misconduct.

5.2 Limitation of Liability. TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT SHALL BS&A, ITS OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES, OR AGENTS, BE LIABLE TO CUSTOMER OR ANY OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL OR EXEMPLARY DAMAGES, WHETHER BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), OR ANY OTHER LEGAL THEORY, AND WHETHER OR NOT BS&A IS ADVISED OF THE POSSIBILITY OF SUCH

DAMAGES. EXCEPT FOR BS&A'S INDEMNITY OBLIGATIONS SET FORTH IN SECTION 5.1.2, TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT WILL BS&A'S TOTAL CUMULATIVE LIABILITY ARISING OUT OF OR RELATED TO THIS ADDENDUM EXCEED IN THE AGGREGATE THE TOTAL FEES CUSTOMER PAID TO BS&A UNDER THIS ADDENDUM IN THE SIX (6) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE LIABILITY. THE EXISTENCE OF MULTIPLE CLAIMS WILL NOT ENLARGE THIS LIMIT. BS&A'S LIABILITY IN CONNECTION WITH ITS INDEMNITY OBLIGATIONS SET FORTH IN SECTION 5.1.2, SHALL NOT EXCEED IN THE AGGREGATE THE TOTAL FEES CUSTOMER PAID TO BS&A UNDER THIS ADDENDUM IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE LIABILITY. FOR THE AVOIDANCE OF DOUBT, CUSTOMER AGREES AND ACKNOWLEDGES THAT ANY ASSESSMENT, FINE, PENALTY, FEE, OR OTHERWISE IMPOSED BY STRIPE, A BANK, A CARD NETWORK OR A GOVERNMENT AGENCY OR REGULATOR WILL BE DEEMED TO BE A DIRECT DAMAGE AND NOT INDIRECT, CONSEQUENTIAL, OR INCIDENTAL.

5.3 Force Majeure. BS&A is not responsible for any delay or failure in performing its obligations under this Addendum, in whole or in part, for any cause or circumstance outside its reasonable control, including, without limitation: fires, floods, storms, earthquakes, civil disturbances, disruption of telecommunications, pandemics, transportation, utilities, services or supplies, governmental action, computer viruses, corruption of data, failures of Processor or other third party provider, DDoS or other computer attacks, incompatible or defective equipment, software, or services, or otherwise.

6. Term and Termination

6.1 Term. This Addendum will be effective on the date that BS&A approves Customer for the Payment Processing Services and will continue for one (1) year ("**Initial Term**") unless earlier terminated in accordance with this section. This Addendum will automatically renew for consecutive one (1)-year renewal terms (each a "**Renewal Term**" and together with the Initial Term, the "**Term**") unless either party gives the other party written notice of non-renewal no less than sixty (60) days before the end of the then-current Term.

6.2 Termination. This Addendum will automatically terminate upon termination of the Agreement.

6.3 Termination by BS&A. In addition to the termination rights set forth under the Agreement, BS&A will have the right to terminate this Addendum immediately, with or without notice, for: (a) Customer breaches any provision of this Addendum or any Stripe Agreements; (b) Customer or its employees and agents use the Payment Processing Services in a manner inconsistent with the intended purpose; (c) Customer or its employees and agents violate any applicable laws or Network Rules; or (d) BS&A is required to terminate this Addendum by Stripe, government agency, payment network, or other regulator. BS&A will not be liable to Customer or other third party for termination of the Payment Processing Services for any reason. Upon the termination of the Stripe Agreements or the Customer's Stripe Connected Account for any reason, this Addendum will automatically terminate.

6.4 Effect of Termination. The termination of this Addendum will not affect any of BS&A's rights or Customer's obligations arising under this Addendum. After termination of this Addendum and/or Customer's Stripe account, Customer shall continue to be liable for all chargebacks, refunds, fees, card network liabilities, credits, and adjustments resulting from or relating to Transactions processed pursuant to this Addendum. The termination of Customer's access to Payment Processing Services will be effective immediately. Customer authorizes BS&A to notify Stripe of any termination of this Addendum; however, Customer is responsible to manually close its Stripe Connected Account separately in accordance with Stripe procedures.

7. General

7.1 Precedence. Any inconsistency, conflict, or ambiguity between these Addendum and the Agreement will be resolved by giving precedence and effect to this Addendum, but only to the extent of the inconsistency, conflict, or ambiguity. Other than as expressly amended by this Addendum, all other provisions of the Agreement will remain in full force and effect.

7.2 Amendments. Except as set forth below in this section, this Addendum may only be amended with the written consent of both parties. Notwithstanding the foregoing, BS&A reserves the right to amend this Addendum without the consent of Customer if such amendment is required to comply with applicable laws, Network Rules or the directives of the Processor or any payment network. BS&A will use reasonable efforts to give Customer thirty (30) days' prior notice of any such amendment. Additionally, during the Term and upon at least 30 days' prior written notice, BS&A may amend this Addendum to pass through increases in third party costs and fees, including but not limited to fees and assessments charged by Stripe, payment networks, or BS&A's vendors and service providers. BS&A may amend this Agreement other than as indicated herein, including applicable fees and rates, no less than ninety (90) days before the end of the then-current Term.

7.3 Dispute Resolution. The dispute resolution provisions of the Agreement, including the choice of law and venue will apply to any and all disputes or claims arising under this Addendum.

7.4 Counterparts. This Addendum may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. An electronic signature shall be accepted as an original for all purposes. This Addendum may be executed and delivered by electronic means (including click-to-accept) and the parties agree that such electronic execution and delivery will have the same force and effect as delivery of an original document with original signatures, and that each party may use such electronic signatures as evidence of the execution and delivery of this Addendum to the same extent that an original signature could be used.

Village Board Agenda Supplement
Agenda Item No: 6.b.

MEETING DATE:	February 17, 2026
ITEM:	Approval of An Ordinance Amending Section 8-1, Article D, Snow Removal, Mailboxes and Right of Way Obstructions, Chapter 1, Streets, Sidewalks and Public Ways, Title 8, Public Ways and Property
MOTION:	I move to approve an Ordinance Amending Section 8-1, Article D, Snow Removal, Mailboxes and Right of Way Obstructions, Chapter 1, Streets, Sidewalks and Public Ways, Title 8, Public Ways and Property.
STAFF CONTACT:	Andy Ferrini, Village Manager Michael Smoron, Village Attorney

Purpose:

Consider the approval of an Ordinance to establish a snow removal requirement for homeowner associations (HOAs) that own or maintain private streets or common areas used for vehicular ingress and egress within the Village of Pingree Grove.

Background:

This winter, the Village has received complaints regarding snow accumulation on private streets within HOA-maintained developments. In some cases, residents are uncertain whether snow removal in these areas is the responsibility of the Village or the homeowner association.

The Village performs snow removal on public streets only. Private streets and HOA-owned common areas, including parking lots, are not maintained by the Village and instead fall under the responsibility of the applicable homeowner association.

Consistent with the general consensus of the Village Board at the previous meeting, the proposed ordinance has been revised to require that all Homeowners Associations, regardless of governing structure, be subject to the requirements of the Ordinance.

As drafted, the proposed ordinance would require all homeowner associations to ensure snow removal on private streets and common areas, including parking lots, within a specified timeframe. Specifically, snow would be required to be plowed and cleared within **eight (8) hours** following a snow accumulation of **two (2) inches or more** on such private streets or common areas.

The Ordinance, as drafted, would not apply to sidewalks, and any entity found to have violated the Ordinance could be subject to a fine of not less than \$75.00 nor more than \$750.00.

Options:

1. Approve Ordinance implementing the HOA snow removal requirements.
2. Do not approve the ordinance implementing the HOA snow removal requirements.

Fiscal Impact:

Minimal Impact Anticipated.

Recommendation:

Staff submits the proposed ordinance to the Village Board for review and discussion. Based on the Board's direction, the ordinance may be adopted as presented or revised and brought back for further consideration.

Village Board Agenda Supplement
Agenda Item No: 6. c.

MEETING DATE:	February 17, 2026
ITEM:	Approval of A License Agreement between CPKC Railroad and the Village of Pingree Grove for the construction of a parking lot and other improvements
MOTION:	I move to approve a License Agreement between CPKC Railroad and the Village of Pingree Grove for the construction of a parking lot and other improvements.
STAFF CONTACT:	Andy Ferrini, Village Manager Michael Smoron, Village Attorney Seth Gronewold, Village Engineer

Purpose:

Consider the approval of a License Agreement with CPKC Railroad, granting the Village the ability to construct a parking lot and other improvements on CPKC property on Railroad Street.

Background:

The Village has been working with Canadian Pacific Kansas City (CPKC) for over a year to negotiate this License Agreement. The agreement would authorize the Village to construct a parking lot and related improvements on railroad property, including landscaping, fencing, and a pedestrian path. The project was originally planned as part of last year's Road Maintenance Program but was deferred due to continued negotiations with the railroad.

Approval of the License Agreement will allow the parking lot project to be included in the Village's current year Road Maintenance Program, which is planned to be bid later this month. The goal of the project is to improve parking accessibility in the Heritage District and beautify the area near the train crossing.

The terms of the License Agreement have been reviewed and negotiated with input from the Village's legal counsel, engineering consultant, and risk management consultants. Included as an exhibit to the Agreement are engineering site plans that depict the planned improvements.

Options:

1. Approve the License Agreement.
2. Do not approve the License Agreement.

Fiscal Impact:

The License Agreement will have minimal financial impact.

Recommendation:

Staff recommends approval of the License Agreement between the Village of Pingree Grove and Canadian Pacific Kansas City to allow for the construction, operation, and maintenance of the Railroad Street parking lot.

This Agreement is a license of occupation and is not a lease.

3. TERM:

A. Effective Date

This Agreement shall be effective: **February 17, 2026**, the “**Effective Date**.”

B. Initial Term

This License Agreement shall initially be for the term of one (1) year, from the Effective Date, the “**Initial Term**.”

C. Expiration Date

This Agreement shall have no fixed expiration date but shall continue in effect until terminated by one of the means set forth in Section 5 herein.

D. “Term” vs. “term” defined

As used herein in capitalized form, “**Term**,” shall mean the Initial Term or the Extension Term then in effect. When used in lowercase, “term,” shall mean any period of time during which this License Agreement remains in effect.

4. PAYMENTS

A. Rent

i. Base Rent

The Licensee shall during the term hereof pay CPKC rental at the rate of

One and No/100 Dollars (\$1.00) per year,

payable annually in advance, as rental for the Licensed Premises, the “**Base Rent**,”.

B. Taxes and other Fees

i. Taxes and Fees

The Licensee shall pay all taxes, license fees or other charges, including, but not limited to, storm water fees, fines, interest and fees of any type, which, during the term of this license, shall be levied or assessed by, or which are payable to any state, municipal, county, federal or duly constituted government entity or authority having the ability to assess levies or charges for or against the whole or any part of the Licensed Premises, including improvements, business or activities conducted or located thereupon. The foregoing shall be herein collectively referred to as “**Taxes and Fees**.”

ii. Duty to Investigate and Dispute Taxes and Fees

Licensee shall be solely responsible for investigating the amount of any Taxes and Fees that may be proposed by any entity having the authority to assess Taxes and Fees against the Licensed Premises and that, if enacted by such entity, eventually may become due and payable by the Licensee pursuant to this License. CPKC shall not be obligated to investigate or dispute any such Taxes and Fees nor shall it be liable to Licensee should the period for disputing any Taxes and Fees expire prior to Licensee’s actual knowledge of such Taxes and Fees.

iii. Method of Payment of Taxes and Fees

CPKC may, at its election, either

- a). make payment of Taxes and Fees and then invoice Licensee for reimbursement;
- b). forward any invoice concerning Taxes and Fees to Licensee for payment;
- c). arrange for recurring invoices for Taxes and Fees to be sent directly to Licensee for payment; or

- d) employ any other such reasonable method that the parties hereafter mutually agree, or of which CPKC gives Licensee 30 days' advance written notice.

In the event that CPKC makes payment of Taxes and Fees per subpart 4.B.iii.a, CPKC may invoice Licensee for the entire period of Taxes and Fees even if payment could have been made in installments, such as in the case of property taxes which are frequently payable in halves. Licensee shall not be entitled to any discounts for full payment regardless of whether CPKC in fact receives a discount.

iv. Applicable Tax Period.

Annual Taxes and Fees shall be treated as being applicable for the calendar year in which they are invoiced, even if in fact the Taxes and Fees are for another year or based upon valuations in previous years. Notwithstanding the preceding, however, should the License be terminated for any reason and the premises is not occupied by another party in the year immediately following the year in which the license was terminated, then Licensee shall also be liable for Taxes and Fees levied post termination to the extent that CPKC would not have incurred such Taxes and Fees but for the existence of the License or Licensee's business or activities upon the Licensed Premises.

C. Utilities.

Licensee shall assume and timely pay for any gas, electrical, telephone, computer, sewer, water, storm water, waste or trash removal or any other service or commodity connected with its occupancy or use of the Licensed Premises, collectively "**Utility Service.**" If any Utility Service fee is in common with CPKC or other parties, Licensee shall be liable for its proportionate share of any such Utility Service Fee and upon receipt of a bill therefor, promptly pay CPKC or such other party for its share. It shall be a default in the terms of this license if it can be shown that Licensee has not made such payments within 30 days if due to CPKC, or within 60 days if payable to any other party.

5. TERMINATION / RESTORATION / SURRENDER

A. Termination, defined.

Termination occurs when the Licensee no longer has the right or CPKC's permission to use or occupy the Licensed Premises. Termination shall not be construed to release the Licensee from any obligations or liabilities that exist or may arise as the result of the Licensee's use or occupancy of the Licensed Premises or that impact CPKC in any other manner.

Termination shall not relieve Licensee from payment of rent, taxes or other fees that are chargeable to Licensee hereunder if:

- i. Licensee has not vacated the Licensed Premises;
- ii. Any of Licensee's property or any Improvements remain on the Licensed Premises;
- iii. Licensee is in any manner deriving benefit from the use of the Licensed Premises;
- iv. CPKC has not approved Licensee's restoration of the Licensed Premises; or
- v. If environmental impacts remain upon the Licensed Premises or CPKC's adjacent property that can be reasonably attributed to the license activities associated with Licensee's use of the Licensed Premises.

B. Termination by reason of Breach or Default

i. Breach, defined:

The terms of this Agreement will be deemed breached if the Licensee shall at any time fail to perform or comply with any of the terms, covenants or conditions of this license.

ii. Default, defined:

If Licensee shall default on its obligation to timely pay any payment required pursuant to this Agreement, whether payment is due to CPKC (i.e. rent or taxes), or a third party (license or other fees) relating to Licensee's use or occupancy of the Licensed Premises, then the Agreement shall be deemed to be in default.

iii. Cure Period.

IN THE EVENT THAT LICENSEE IS UNABLE TO CURE A BREACH OR DEFAULT WITHIN 10 DAYS AFTER WRITTEN NOTICE THEREOF BY CPKC TO THE LICENSEE, THEN CPKC MAY DECLARE THIS AGREEMENT TERMINATED IMMEDIATELY.

Licensee shall be obligated to notify CPKC in writing prior to the end of said 10 day period that it has cured the subject breach or default. Absence of timely receipt by CPKC of such written notice of cure shall entitle CPKC to terminate the Agreement.

v. Surrender and Eviction – Right of CPKC to enter and take possession of Premises.

As one of the material considerations for the granting by CPKC to Licensee of this Agreement, without which it would not be granted, following termination of this Agreement by CPKC for reason of breach or default, Licensee agrees that it shall surrender possession of the Licensed Premises to CPKC and

LICENSEE HEREBY GRANTS CPKC THE RIGHT TO RE-ENTER AND TAKE CONTROL AND POSSESSION OF THE LICENSED PREMISES FOLLOWING TERMINATION BY REASON OF BREACH OR DEFAULT.

vi. Landlord Lien

When any rent, taxes, assessments, license fees or other charges payable hereunder are past due, CPKC shall have and is hereby granted a lien therefore upon the buildings and improvements of the Licensee located upon the Licensed Premises, including appliances, and upon thirty (30) days' written notice to the Licensee may take possession of and sell the same and apply the proceeds against such past due indebtedness.

C. Restoration.

i. Removal of Improvements.

Upon expiration or earlier termination of this License, Licensee shall restore the Licensed Premises to a condition satisfactory to CPKC unless CPKC agrees in writing to permit Licensee to leave in place any improvements in and upon the Licensed Premises. Restoration shall include removal of all Improvements then located upon the Licensed Premises, including, but not limited to buildings, footings, foundations, poles, wires, pipes, conduits, wells, and hard surfaces such as concrete or asphalt.

ii. Work Plan Approval.

Licensee shall submit to CPKC a work plan detailing its proposed restoration work and shall not commence with restoration until CPKC has approved said plan. Approval of Licensee's work plan shall not be deemed to be a waiver by CPKC of Licensee's obligation and covenant to remove all Improvements from the Licensed Premises.

iii. Soil and Water samples.

If deemed prudent by CPKC, Licensee shall take soil and/or water samples at various intervals and locations during the restoration process. In the event that significant environmental impacts are detected, Licensee may be required to perform additional tests and/or installations, such as monitoring or testing wells.

iv. Disposal of Materials.

All building debris, concrete asphalt or other materials removed from the Licensed Premises shall be disposed off of CPKC's land at a facility approved for disposal of type of material involved. Wells and tanks, or other regulated improvements, must be removed according to applicable regulations and, commonly, by licensed experts.

8. Liability

- A. The Licensee acknowledges and agrees that the movement of railroad locomotives, trains or cars and the work incident to the maintenance of the right of way and track in close proximity to the Licensed Premises involves some risk of injury to persons and damage to structures and property thereon by fire, vibration or smoke. As one of the material considerations of this license, without which it would not be granted, the Licensee expressly assumes said risk and, to the maximum extent permitted by law, hereby releases and agrees to indemnify, hold harmless and

I move to authorize the purchase of a Zip Track and Interactive Ball Wall from Cunningham Recreation in the amount of \$133,570.50 6.f. I move to authorize the purchase of Lighting Fixtures and Controls from Acuity in the amount of \$147,371.31
STAFF CONTACT:	Andy Ferrini, Village Manager Seth Gronewold, Village Engineer

Purpose:

Consider the proposed purchase of a pavilion structure, zip track, interactive “wall ball plaza”, and lighting fixtures/controls as part of the larger Skate Park Improvement Project scheduled for construction this year. These are specialty items the Village is proposing to purchase directly, outside of the general bid for the primary construction contract.

Background:

The Skate Park Improvement Project includes a number of amenities intended to enhance recreational use at the Skate Park. As part of the planning process, the Village park planning team has devised an approach to try to maximize efficiency and reduce costs.

There are several components of the park plan that staff recommends purchasing directly, rather than including them in the larger general bid/contract for the project. This is an approach that has been utilized by other municipalities and park districts in park planning efforts, and that Fehr Graham has seen succeed in those instances. The items listed below are ones that the park planning team has identified as being beneficial to purchase directly, as opposed to part of the larger bid:

- Pavilion Structure
- Wall Ball/Plaza Feature
- Zip Track
- Lighting Fixtures and Controls
- Ice Rink

Staff recommends that the Village purchase the pavilion, wall ball/plaza feature, zip track, and lighting fixtures directly as owner-furnished equipment, rather than including these items in the contractor’s bid package. This approach is intended to help keep the project on schedule by addressing fluctuating lead

times and to provide greater cost control by removing contractor markups. The Village would include the installation of these items in the bid package for contractors to bid on.

Many of these specialty items have differing manufacturing and delivery lead times. If included in the construction contract, they would not be ordered until after the contract is awarded, which could delay the project if the lead times exceeded expectations and impact the overall schedule. Purchasing these items directly allows the Village to order them earlier, better align delivery with construction timelines, and avoid contractor markup. Direct purchase also allows the Village to take advantage of municipal pricing, as discounts are sometimes given to local governments for park items (for example, there is an 8% discount on the pavilion structure).

The pavilion and other specialty features were selected during design development with direct input from Village staff and have been coordinated by the project engineer. Several of these items—including the pavilion, zip track, ball wall, and lighting—have limited or exclusive regional vendors and were incorporated into the park design and, in some cases, submitted to the Illinois Department of Natural Resources (IDNR) as part of the OSLAD improvements. Purchasing these items directly ensures consistency with Village standards, maintains the approved design intent, and allows the Village to manage lead times and delivery to best support construction.

Fehr Graham is currently obtaining a quote for the proposed ice rink. Staff anticipates bringing the ice rink quote to the Village Board for consideration and approval at a future meeting.

Options:

1. Authorize the equipment purchases for the Skate Park as described.
2. Do not authorize the purchases for the Skate Park, and the items will be included in the bid package for the project.

Financial Impact:

Funds for these pieces of equipment will come from SSA 4 (Fund Balance of \$1.6 Million) and SSA 9 (Fund Balance of \$200,000).

Recommendation:

Staff recommends that the Village proceed with the direct purchase of these items as owner-furnished equipment for the Skate Park Improvement Project. This approach is consistent with practices used by other municipalities and park districts, helps maintain the project schedule, and is expected to reduce overall project costs while ensuring consistency with the approved design.

Staff and the Village Engineer will coordinate delivery timing and installation requirements with the awarded contractor to ensure integration into the overall project.

Enclosures:

2. Pavilion picture
3. Cunningham Quote for Wall Ball and Zip Track
4. Wall Ball and Zip Track pictures
5. Holophane Acuity Quote for Lighting Fixtures and Controls
6. Park Design Master Plan from OSLAD Grant Application (the layout will change some in the final plans, but this is still a good representation of the amenities and general layout)

1. Pricing assumes Risk Category II for all structures with roof coverings and Risk Category I for all other structures (e.g. trellis, portal, etc.) as well as Wind Exposure C and clear wind flow as defined by ASCE 7, unless noted otherwise.
2. Pricing assumes a 20' separation between any adjacent structure with an eave height equal to or greater than the eave height of this structure if the ground snow load is greater than 0 PSF to account for drifted snow, unless noted otherwise.
3. Pricing assumes standard size electrical cutouts, unless noted otherwise: 2-3/8" wide x 4" tall single gang cutouts in columns at 18" or 48" above finish grade or 3/4" diameter cutouts in roof framing members.
4. Quotation is based on Poligon's interpretation of any drawings or documentation provided at time of quote request.
5. Deviation of design from the supplied quote and preliminary drawing may result in price changes. All design changes should be submitted to Poligon for re-quoting purposes.
6. Poligon provides pricing and engineering for the most cost effective and efficient frame, meeting Poligon's design philosophy of hidden bolted connections (no field welding required).
7. If this quotation does not reference specific design elements that must be incorporated, please work with Poligon to update the quotation as required (e.g. column sizes, column locations, roof pitch, snow guards, etc.). Snow guards are required for structures with a pitch of 4:12 or greater per the Kentucky Building Code.
8. All member sizes are preliminary until the engineering package has been completed. Preliminary reaction forces and foundation sizing may be provided upon request and should be used for budget purposes only.
9. Due to the varying tax requirements nationwide, if applicable, all required taxes should be applied to this quotation and included on the customer purchase order and/or contract for ordering purposes. All applicable taxes will be applied to the invoice if a tax exemption certificate is not provided.

Porter Corp is not responsible for the design of any components or materials not sold by it or their interface and connection with the Steel Structure.

Fabrication and Shipping

1. Upon order entry, Poligon will provide an order acknowledgement that will contain an expected ship date range. As the manufacturing process moves closer to these dates, a definitive ship date will be confirmed.
2. Poligon will not accept orders with restricted ship dates subject to liquidated damage clauses.
3. Upon manufacturing completion, the day prior to shipment, the Poligon Shipping Department will call the specified contact for shipment confirmation. Once the structure is loaded, the truck driver will call the specified contact to confirm the exact time of delivery to the job site or other location.
