Schedule dates subject to change. The Village will make every attempt to maintain these dates, however at times, circumstances beyond our control may cause some dates to change.

The Village sends out three reminders of your balance due. If the payment from your initial bill is not received by the due date, we will send you a Late Notice. If payment is not received by the Late Notice due date, we will post a Green Tag Shut Off Notice on your property as a third reminder of your amount due. The Village does not want to shut your service off, but will do so if payment is not received in a timely manner.
